## Very important: Set a goal!

We recommend a goal of 20 units per participant.  
(Actual results vary based on the number of participants.)

- Be positive; share the goal and **STRESS** to everyone what the **PROFITS** will be used for.
- Sharing a clear goal and descriptive end result, we **GUARANTEE** your community will support **YOUR CAUSE**. After all, aren't you more apt to spend money when it is clear what the money is used for?

## Our services include:

- .... we pack the product by participant, you don't have to touch
- .... product delivered by **US TO YOU**
- .... order to the piece means no leftover cases or "extras"; we sell you what you need. Nothing more, nothing less.
